ADD-ONS

worth considering

Extras we can add to any itinerary, with our honest advice on when they make sense.

KANYAKUMARI

Add only for pilgrimage

- We recommend Kanyakumari only for guests travelling for pilgrimage.
- It is not a sightseeing stop, so we do not add it to leisure itineraries.
- It can be added as a day trip from Kovalam or Trivandrum.

ATHIRAPPILLY

Best added in the monsoon

- We recommend Athirappilly only in the monsoon season, when the waterfall is at its full flow.
- From November to March the water flow is lower, so we add it only if you specifically ask for it.
- Add it on request, subject to the season you travel in.

KUMARAKOM

For a luxury resort stay

- Kumarakom is known for its luxury resorts. It sits across Vembanad Lake from Alleppey.
- We recommend it when you want to enjoy the property itself. For houseboats and stays in every category, we recommend Alleppey.
- It can be added as an extra night, or in place of Alleppey, on request and as per your price range.

Have another place in mind?

Tell us your plan and we will add it as a day trip or an extra night.
